SOZO
P R A Y E R M I N I S T R Y
BASIC TRAINING COURSE
NOVEMBER 22nd-23rd 2019

Hosted by BRIDGES CHURCH, CAMBRIDGE

What is Sozo ?

SOZO is not a counselling based ministry rather it is an effective, safe, and very gentle Prayer Ministry which originated from Bethel Church, Redding, USA. It has touched many people worldwide as a highly impactful tool anointed by the Holy Spirit to bring spiritual transformation and increased intimacy with the Father, Son and Holy Spirit.

What does the word 'Sozo' mean...?

It comes from the Greek word used in the Bible that translates as “wholeness, salvation, healing, deliverance”, it appears over one hundred times to refer to instances where the transforming Presence and Power of God burst into people’s lives with dramatic effect. (An example being the story in Luke 17: 11-19 where Jesus ‘cleansed’ nine lepers and the one who went back to Jesus thanking and praising God received his “wholeness” sozo)

SOZO is available at several levels...

a) The Basic Training Course is run by an approved Trainer over a number of sessions beginning on a Friday evening, continuing over into the following Saturday concluding in the afternoon. Training Manuals are a must.

b) Receiving a personal Sozo ministry session under the direction of a trained person (and team)

We would encourage people to consider doing the Basic Training Course and to receive (at some point) an individual SOZO ministry session.

c) Advanced level training for supervising those receiving personal Sozo ministry

From the Basic Training, some people may feel led to be involved in a Sozo Ministry Team that will function under the pastoral oversight to operate at their discretion in helping people they recommend.

If you have a heart and vision for entering into God’s presence and transforming power at a greater level personally and for the church to do the same also, then Sozo Prayer Ministry could be really valuable for you.

It could help you personally into new freedom as you recognise a number of areas:

- by helping to bring spiritual health through accessing a fuller revelation of God and intimacy with Father, Son and Holy Spirit
- revealing and healing past wounds that could possibly still effect you today
- identifying lies from our adversary the devil, that may have bound or hindered you
- gaining fresh understanding of our identity, calling and God given destiny
- instilling a new sense of confidence and boldness as kings and priests to God
